Tips for campus visits:

• Do some research and bring questions to ask! You want to make sure the campus is a good fit for you, and this is a great chance to find out what YOU want to know.
Shadowing Opportunity

• If your schedule allows you to shadow right now, and you would like to shadow at Methodist Hospital, please go to the Members section of the website and submit your information.

• There are a limited number of slots available based on therapist availability, so first come, first serve.
